

Wandjoo My Friend

By George Walley

The background features abstract, overlapping green geometric shapes, primarily triangles and polygons, in various shades of green, ranging from light lime to dark forest green. These shapes are positioned on the right side of the image, creating a modern, layered effect.

The ocean and estuary the rivers and the lakes
Our sky so blue welcomes you
The land upon we stand from the coast to the hills
It's so grand it's so grand it's so grand
